

HTML5 and CSS3 Project

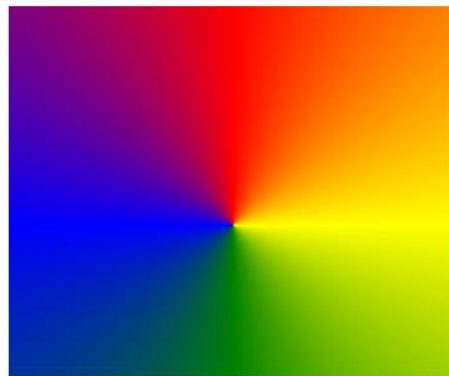

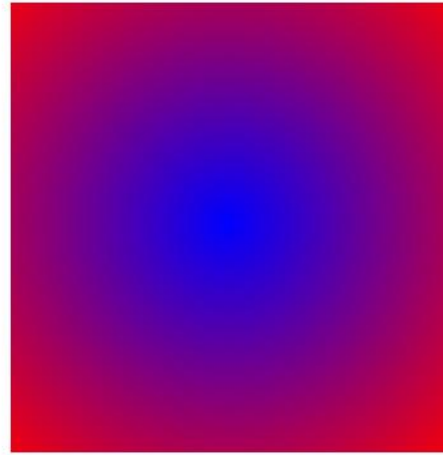

1. Home page
 2. Gallery Page
 3. Products page
 4. Login
 5. Contacts
-

Note:

- Create sticky navigation bar
 - Logo with link to home page
 - Apply icon for tab
-

Home Page

Using keyframes display 1 box at a time after every 2 seconds

Login Page

A login page mockup with a red background. At the top is a white circular icon with a red person silhouette. Below it is the text "LOGIN HERE" with a mouse cursor pointing at it. The "Email" field contains "mayor09" with a red envelope icon. The "Password" field contains "*****" with a red key icon. Below the password field are links for "Forgot Password?" and "Sign up Here". At the bottom is a red "LOGIN" button.

Products.html

Product Image	Product Name	Product Features
	Beanie	<ul style="list-style-type: none">BlueWoollen
	Hoodie	<ul style="list-style-type: none">AshDenim
	V-neck Tshirt	<ul style="list-style-type: none">JadeCotton

Note: apply background for every alternative row
